

Belt Sticks & Replacement Belts

Economical and Versatile Tools

Belt Sticks are ideal tools for metal finishing, woodworking, mold finishing, ceramics, electronics, pattern making, welding cleanup, jewelry making, gun repair, and much more.

PRODUCT FEATURES

- Features three working areas: a flat bottom, a round end and a tapered end for intricate areas.
- Accommodates 1/4", 1/2" or 3/4" wide aluminum oxide abrasive belts.
- Spring-loaded tensioning device allows the abrasive belt to be quickly changed and also rotated so that all areas of the belt can be used.
- Resin-bonded cloth-backed aluminum oxide.
- Replaceable abrasive belts can be easily indexed around the tool enabling the economical use of the entire abrasive material.
- Ergonomic shape for added comfort
- Thumb and finger supports for added control.
- Supplied in 5 colors to quickly distinguish one grit from another.

Belt Sticks & Replacement Belts

3M Micro-Finish Film Belts

Micro-Finish film is a fast cutting abrasive for precise, uniform, close-tolerance finish. High strength polyester film backing and micron-graded aluminum oxide mineral resin is bonded for durability. Perfect for tool and die work, gunsmithing, jewelry making, watch repair and medical devices. Also works well on both metal and plastic.

Sold Individually or Available in 4 Different Kits:
