

Slurry Coated Abrasives

Slurry Strips, Cloths and Mini Saw Frame with Handle

Made of rayon with a unique backing material these Slurry Coated Abrasive Polishing Strips and Cloths are strong, durable and leave a consistent finish every time.

- A blend of various types of micron particle minerals along with silicon carbide is applied to each Strip and Cloth in a slurry coating process.
- The micron grading technique used for these products yields abrasive particles the same size and shape to achieve a consistent finish each time.
- Both Strips and Cloths are ideal for wet or dry applications.
- Grits: 360-Gray, 400-Orange, 600-Brown, 800-White, 1000-Red, 1200-Green, 1500-Purple, 2000-Yellow, 4000-Blue
